

**GIVE:** Sponsor a girl 1 year  
*Rebecca Wilson Home for Girls*

**BANGLADESH**

**ONETHING**

**GIVE: I will sponsor a girl by promising my support**

These girls have been rescued from extreme poverty and given a home and education. They are taught about the Lord and receive loving care from full-time house parents. In Bangladesh adoption is not common. The children live at the orphanage until they graduate and possess skills for living life on their own. Many go back to their villages and minister to others spreading the Gospel.

**I choose to give generously because giving our resources helps others connect to Jesus.**
