2020 LOOK AHEAD

As we look toward 2020, we are excited for the opportunities to come together as a congregation to serve and support families and partner organizations across the street and across the sea. Know we are praying for each of you as you consider what this next year could look like and encourage you to trust the Lord and where He might be leading you.

We have many incredible chances to serve in the next year, from joining a mission team, to volunteering at the COC, or in a classroom of a local school. We look forward to partnering with you and seeing how God moves in the work and opportunities that are to come.
