Jonah Maze

Help Jonah find his way to Nineveh.

HIDE AND GO SEEK:

Play this game like the normal Hide and Go Seek game. After the game is over, explain to the children that they cannot hide from God. He always knows where we are and what we are doing.

PIN JONAH IN THE FISH:

Draw a large poster picture drawing of a BIG bright blue fish and a small picture of a little man (Jonah). Children can be blind folded and turned around a couple of times and then try to pin JONAH into the fish! Everyone gets a turn.

STICK FISH:

Give the children 4 craft sticks to form triangles together to create a fish and the tail.

Glue the sticks together. Children can paint or color the inside of the fish and write words around their picture from today's story, such as Don't Run from God, don't Hide from God, or "oh oh Jonah, you should have gone to Nineveh!"

FISH ON A STICK:

Give cardstock paper and markers to the children to draw and cut out a large fish that can be taped to the top of a craft stick or a longer paint stick. Let the children tell the story of Jonah using their fish sticks. If time permits, the story can be told using other props such as a boat, a fish, sailors glued to craft sticks if desired.

GELATIN AQUARIUM:

Give the children can supplies to make some BLUE gelatin (with adult help). Using ice instead of water helps the Jello to set quickly. Add some fish candy to the "aquarium" see through plastic cups! A strip of paper with words from our lesson today can be taped to the small see through cup aquarium.

PAPER PLATE FISH:

Let the children color a paper plate with a bright blue colored marker or crayon. Cut a triangular piece from one side of the paper plate to create the fish's mouth. Tape the cut out piece to the other side of the paper plate to create the tail of the big fish! Draw an eye and other things to make the paper plate to look like a fish.
