God Rested!

Creation Dice Game

What you need

-Dice

In this game, family members must name an object which was created on each day. For example: If they roll day 1, they may name something that gives light or a place that is dark. If they roll day 6, they may name a specific animal or person created.. This is a great review game to remember what was created on which day!

Freeze Dance Game

What you need:

-Music

Have everyone spread out in the room. When everyone is ready, press PLAY on the music player. Everyone can then begin to dance and move around in their sports. After fifteen to thirty seconds, press PAUSE. Everyone will then have to freeze in whatever position they happen to be in. Have the music paused for another fifteen-thirty seconds. IF anyone moves during that time, they are out. Hit PLAY again and everyone will again begin to dance. The game continues until there is one person left.

Creation Charades

What you need

-Cards with different things that God created (can be specific or vague depending on ages)

You can either form teams for this game or play individually. The acting player picks a card. The player stands in front of the the family and acts out the item on the card. A timekeeper will give the guessing player(s) three minutes to guess the correct answer. The guessing player(s) can either guess the day of creation or the thing the acting player is acting out. The player with the correct guess keeps the card. The winner is the person (or team) with the most cards at the end of the game.
