WORSHIP Brings Light to the Darkness

Create a cheer for Jesus!

Write out your own cheer for Jesus using your own words. For example, you can say, "We love Jesus! Jesus is Great! We give him praises everyday!" Put motions with the cheer and perform the cheer to other family members. Jesus is a King who deserves all our cheers!

Dance for Jesus Musical Chairs!

What you need:

- Chairs
- Praise music!

You can use the gkids spotify playlist by using the following link:

<https://open.spotify.com/playlist/15vSRAhmjD6249Y2ksh4zz?si=8417abb196584091>

Play a game of musical chairs using praise and worship music! Encourage the family members to dance as they move around the circle of chairs. Jesus loves it when we sing and dance for him!

Here comes the King!

What you need:

- coats/jackets
- palm branches (or other leaves/fans)

Create a path for the king and the donkey to use. Spread out the jackets and coats on the path just like the Israelites did for Jesus. Have one family member be the "king" who will ride another family member's back (preferably an older kid/adult) down the path. Everyone else for the family will wave their palm branches or fans and cheer for the king! Rotate who the king is and play as many rounds as you would like!
